(Gary Nicholson/Bob DiPiero)

Two in the morning, too hot to sleep
Tossin' and turnin' and twistin' the sheets
I feel an old weakness comin' on strong
Window wide open in the back bedroom
Sweet smillin' honeysuckle in full bloom
I feel an old weakness comin' on strong

Feel like I'm runnin' real low on willpower
Can't get you out of this heart of mine
From the break of dawn 'til the midnight hour
I keep fightin' to let you go
But your love is beyond my control

Took down that picture of you and me
But every time I look up where it used to be
I feel an old weakness comin' on strong
Still got your number next to the phone
Just when I believe I can leave it alone
I feel an old weakness comin' on strong

Feel like I'm runnin' real low on willpower
Can't get you out of this heart of mine
From the break of dawn 'til the midnight hour
I keep fightin' to let you go
But your love is beyond my control
I feel an old weakness comin' on strong

I feel an old weakness comin' on strong
