Oh
Lady don't you worry
I'm just in a flurry now
But the wind is picking up now and the new
newspaper's all over town

And I say what's on my mind from here on out
And I am fine

Okay
Yeah
Sure Jim is a friend of mine but he is running out of
time

I'll do what I can for you here
I'll do what I can for you here

Dad
Whatever you have
I'm sure it's living in me
'Cause I'm convinced that all of this has been the best
for me

And I say what's on my mind most of the time
And I am fine

Okay
Yeah
I could barely walk a mile but I am running now
Running now

I'll do what I can for you here
I'll do what I can for you here
I'll do what I can for you here
I'll do what I can

I know you've thought about everything you could have
done
I know your home is on fire with the things you've done
wrong
'Cause I live there too

Yeah
I live there too

I'll do what I can for you here
I'll do what I can for you here
I'll do what I can for you here
I'll do what I can
