Oh
Wind won't you sweep me up into the sky
So I can get a better look at this life of mine
And pick me up and twist me around so I can see
Everything around me now

Oh
Won't you embrace me

Oh
Won't you embrace me

Oh
Won't you embrace me

Oh
Won't you embrace me

Oh
River won't you take me out into the sea
So I can get a good look back at the land that grounds
me
And then a little further out so I can feel alone
Much more than I have these days

Oh
Then won't you embrace me

Oh
Won't you embrace me

Oh
Won't you embrace me

Oh
Won't you embrace me

I figure there is time later on to move along from this
There is time
Enough of it for right or wrong
I figure there is time so go easy on me

And let me stay here awhile
Stay here awhile

Oh
Wind won't you take me up to the sky
I can get a good look down at this life of mine

River won't you take me out and to the sea
I can get a good look back at the land that grounds me
Land that grounds me
Land that grounds me
Land that grounds me
