### "Goodbye"

It was really nice to meet you  
Goodbye  
It's high time I quit wondering why  
'Cause I have lost all that I can from my side  
And when you think of me again know I tried  
I tried  
Goodbye

Ooh ooh ooh  
Ooh ooh ooh

Forgive me while I lay here but I have nowhere else to  
be  
I figure when I leave this time it's for keeps  
And when I say, "Good morning," next I'll lie  
I'll lie  
This is goodbye

Ooh ooh ooh  
Ooh ooh ooh

Then lonely lay the day I can't remember you at all  
And it's not easy to say that day has already come and  
gone  
And all that remains is a place where you no longer are  
Ooh ooh

One day I won't regret this  
Oh  
How I want to believe that's true  
Once I pick up my parts I broke on you  
I'll get used to the idea it's not you  
Not you  
Goodbye

Ooh ooh ooh  
(Mmm mmm mmm)  
Ooh ooh ooh  
(Mmm mmm mmm mmm mmm)

Ooh ooh ooh

(Mmm mmm mmm)  
Ooh ooh ooh  
(Mmm mmm mmm mmm mmm)
