Happy Man
The Greg Kihn Band

I do not ask for much
Something real that I can touch
Someone there late at night
Someone there to hold me tight

You know I understand
Just what it takes
To be a happy man

I?m gonna be a happy man
Just you and me while we still can
There?s nothing that we can?t do
Me and you, a happy man

Some people need a lot
Others want what they haven?t got
I need just what it takes
That?s when the tension breaks

I?ll be just what I am
Oh, oh, oh
A happy man

I?m gonna be a happy man
Just you and me while we still can
There?s nothing that we can?t do
Me and you, a happy man

(Solo)

I?m gonna be a happy man
Just you and me while we still can
There?s nothing that we can?t do
Me and you, a happy man

I?m gonna be a happy man
Just you and me while we still can
There?s nothing that we can?t do

Me and you, a happy man

A happy man

A happy man

A happy man

I?m gonna be, I?m gonna be

A happy man (Repeat both lines 3x or 4x while fading?)
