As the silence is growing  
Between us, it seems both you and i know

The words unspoken  
The questions hanging in the air now  
I can't see how  
we're getting annywhere

There's a line between love  
And something else  
We quietly crossed  
The feeling that we both have lost I'm  
Not sure we can  
Ever find again

I can't explain  
Why love lost its glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way

The future that we  
Once tought we had  
Turned into past

Fasting fast and  
we tried but couldn't  
Make it last and  
Watched it Vanish  
Now we're standing here

I can't explain  
Why love lost its glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes

I may be on my way

What's nothing  
What's something  
What's love to you  
What's life about  
Just being  
Or feeling  
Your soul

I can't explain  
Why love lost its glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way

Why love lost its glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way

What's something  
What's nothing  
What's love to you  
What's life about  
Just being  
Or feeling  
Your soul

I can't explain  
Why love lost its glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way
