Looking through the tears, in a distant memory  
Raising shadows above, are they haunting me?  
But do they know, they hurt 'cause  
When I'm lying here alone thinking about what used to  
be  
I don't wanna live my life alone, so unbreak these  
chains that used to hold you and me

Refrain:

But there must be an answer,  
To this broken heart of mine  
I'm seeking to find  
Some peace of mind

Have you ever seen the darkest side of life before  
Or does that same old dream  
Haunt you wherever you go  
But there must be a remedy  
To heal what's broken inside of me

Refrain:

But there must be an answer  
To this broken heart of mine  
I'm seeking to find  
Some peace of mind

Just give me the answer  
That I can't find

Bridge

I can't believe that there's nothing we can do  
No I can't believe that there's nothing left to say

Refrain
