Go to sleep while I gather all my things
I will call you in a couple of days
I can hear the june bugs approaching
A God damn army of them in my brain
In my brain
In my brain
In my brain

"Sing," there'sa says
"Sing happy things"
"Sing"
There'sa says if I do everything one day a man will
spring worth loving
Worth loving
Worth loving
Worth loving

All of my friends fall from the sky now
Many more than I ever thought I had
Everyone is sharpening up their angles when all I really
want's

"Sing," there'sa says
"Sing happy things"
"Sing"
There'sa says if I do everything one day a man will
spring worth loving
Worth loving
Worth loving
Worth loving

Ba-da-dum-da-dum-da-dum-dum
Ba-da-dum-da-dum-da-dum-dum
Ba-da-dum-da-dum-da-dum-dum
Ba-da-dum-da-dum-da-dum-dum

"Sing," there'sa says
"Sing happy things"
"Sing"
There'sa says if I do everything one day a man will
spring worth loving

"Sing," there'sa says
"Sing happy things"
"Sing"
There'sa says if I do everything one day a man will
spring worth loving
