You can tell by the way
She walks that she's my girl
You can tell by the way she talks she rules the world
You can see in her eyes that no one is her Chi
She's my girl my Supergirl

And then she'd say it's OK I got lost on the way
But I'm a Supergirl and Supergirls don't cry
And then she'd say it's alright I got home late last
night
But I'm a Supergirl and Supergirls just fly

And then she'd say that nothing can go wrong
When you're in love what can go wrong
And then she'd laugh the night time into day
Pushin' her fears further away

And then she'd say it's OK I got lost on the way
But I'm a Supergirl and Supergirls don't cry
And then she'd say it's alright, I got home late last
night
But I'm a Supergirl and Supergirls just fly
Then she'd shout down the line say she's got no more
time
Cause she's a Supergirl and Supergirls don't cry
Then she'd scream in my face, tell me to leave, leave
this place
Cause she's a Supergirl and Supergirls just fly
Yeah, She's a Supergirl, Supergirl
Sowing seeds burning trees
Sowing seeds burning trees
She's a Supergirl Supergirl a Supergirl a Supergirl
