What a day to be alive
What a day to realize I'm not dead
What a day to save a dime
What a day to die trying

What a way to say goodbye
What a wonderful life now all aligned
What a way to use survive
What a way to say goodbye
What a day to give a damn
What a day for Gone With The Wind
What a day to start again
What a day to give up dry gin

Bring on the evening
As I cry
Bring on the evidence
Of my life

(Repeat)

Where to go, where to go
From here, I
Don't know
Where to go, where to go
From here, I
Don't know
Don't know
What a day to visit Seattle
What a day for San Francisco
What a day, holy Toledo
What a day to get in the air and go
What a day to give up smoking
What a day to absorb Jim Beam
What a day to welcome a baby
And to begin breathing
