Oh  
Lady don't you worry  
I'm just in a flurry now  
But the wind is picking up now and the new  
newspaper's all over town

And I say what's on my mind from here on out  
And I am fine

Okay  
Yeah  
Sure Jim is a friend of mine but he is running out of  
time

I'll do what I can for you here  
I'll do what I can for you here

Dad  
Whatever you have  
I'm sure it's living in me  
'Cause I'm convinced that all of this has been the best  
for me

And I say what's on my mind most of the time  
And I am fine

Okay  
Yeah  
I could barely walk a mile but I am running now  
Running now

I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can

I know you've thought about everything you could have  
done  
I know your home is on fire with the things you've done  
wrong  
'Cause I live there too

Yeah  
I live there too

I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can for you here  
I'll do what I can
