Go to sleep while I gather all my things  
I will call you in a couple of days  
I can hear the june bugs approaching  
A God damn army of them in my brain  
In my brain  
In my brain  
In my brain

"Sing," there'sa says  
"Sing happy things"  
"Sing"  
There'sa says if I do everything one day a man will  
spring worth loving  
Worth loving  
Worth loving  
Worth loving

All of my friends fall from the sky now  
Many more than I ever thought I had  
Everyone is sharpening up their angles when all I really  
want's

"Sing," there'sa says  
"Sing happy things"  
"Sing"  
There'sa says if I do everything one day a man will  
spring worth loving  
Worth loving  
Worth loving  
Worth loving

Ba-da-dum-da-dum-da-dum-dum  
Ba-da-dum-da-dum-da-dum-dum  
Ba-da-dum-da-dum-da-dum-dum  
Ba-da-dum-da-dum-da-dum-dum

"Sing," there'sa says  
"Sing happy things"  
"Sing"  
There'sa says if I do everything one day a man will  
spring worth loving

"Sing," there'sa says  
"Sing happy things"  
"Sing"  
There'sa says if I do everything one day a man will  
spring worth loving
