Brrrrrrrrrrrrrrrrrrrrrrrrrrrrrr  
(crowd laughs)  
What are you doing?  
I don't know  
Well do SOMETHING!  
Alright I got an idea, just go with me

BRRRRRRRRRRRRRRRRRRRRRRRRR  
Chap-chu-wap-wap  
HUH!

A SUMERTIMMEEEE  
Huh!  
And the living' is easy  
Fish are jumpin' but you know my darling  
I said it right now and the cotton is high

Like it (x2)

Your daddy's rich he rich daddy  
And your mamma's good looking.. yeah  
So hush little baby don't you cry  
One of these one of these mornings gonna  
You're gonna rise you're gonna rise up singin'  
Then you'll spread your wings your little wings  
And you'll take to the sky

Brrrrrrrrrrrrrrrrrrrrrrrrrrrrrr

But till that morning, that morning baby  
There's nothing gonna harm you  
Hush little baby don't you cry  
Don't you cry, no

What about it

I said now

No,

Up child

Say it right now

Listen

Baby

I don't (x3) want you to die

Pretty babygirl

Don't let it hear

Let it hear

Up here

I

Momma is going to be here

Don't let a tear (x3) fall on your eyes

So hush

Pretty baby

Don't you

BRRRRRRRRRRRRRRRR

Chap-chu-wap-wap

HUH!

Pretty little baby

Don't let any

Sing baby

Louder I can't hear

Everybody can i hear you say

You should never ever let a tear fall from you eye
