Oh yeah...  
Oh yeah...  
Oh yeah!

Hello again  
Friend of a friend  
I knew you when  
Our common goal was waiting for the world to end  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick the past again

I'll send you my love, on a wire  
Lift you up, every time  
Everyone  
Ooooo~pulls away from you...

Got balls of steel, got an automobile, for a minimum  
wage  
Got real state, I'm buying it all up in outerspace  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick the past again

I'll send you my love, on a wire  
Lift you up, every time  
Everyone  
Oooo~pulls away oooo

It's a mechanical bull, the number one  
You'll take a ride from anyone  
Everyone wants a ride  
Pulls away oooo from you...
