Jesus you are all the world to me  
Without your love I wouldn't want to be  
You gave me Your life so I can live  
And now my life to You I give  
Jesus you are all the world to me

Your goodness is a treasure  
I am so unworthy of  
And I commit my fragile heart  
To the mercy of your love  
Your truth and your forgiveness  
My soul can not resist  
And all I've said and done  
Comes down to this

Jesus you are all the world to me  
Without your love I wouldn't want to be  
You gave me Your life so I can live  
And now my life to You I give  
Jesus you are all the world to me

Of all in life that matters  
And all that I hold close  
Just to know you Jesus  
Is the thing that matters most  
Cause when I did not know you  
You made the cross your choice  
So with every breath I take  
I'll lift my voice

Jesus you are all the world to me  
Without your love I wouldn't want to be  
You gave me Your life so I can live  
And now my life to You I give  
Jesus you are all the world to me
