Dropped by your house today
My spiral down is over
Everyone is gonna say
That I am in way over my head
My head

And I don't think that you'd believe
The things that I've been up to
Since you went away
I think that we are even Steven
Steven

And I'm amazed at how you fumble through
Saying the things that you do
I don't know how you do it
But you do it

Drove by my life the other day
It looked like it was over
Since you went away
But I am a day older
And it's almost May
It's almost May

And I'm amazed at how you fumble through
Saying the things that you do
I don't know how you do it

And I'm amazed at how you fumble through
Saying the things that you do
And I don't know how you do it

And I'm amazed at how you fumble through
Saying the things that you do
I don't know how you do it

I'm amazed by how you fumble through
Saying the things that you do
I don't know how you do it
But you do it

Ohh ohh

You do it
Ohh ohh
You do it
Ohh ohh
You do it
