This one's for the lonely
The ones that seek and find
Only to be let down
Time after time

This one's for the torn down
The experts at the fall
Come on friends get up now
You're not alone at all

And this part was for her
This part was for her
This part was for her
Does she remember?

It comes and goes in waves, i....

This one's for the faithless
The ones that are surprised
They are only where they are now
Regardless of their fight

This one's for believing
If only for it's sake
Come on friends get up now
Love is to be made

And this part was for her
This part was for her
This part was for her
Does she remember?

It comes and goes in waves,
I am only led to wonder why
It comes and goes in waves
I am only led to wonder why
Why I try

This is for the ones who stand
For the ones who try again
For the ones who need a hand
For the ones who think they can

It comes and goes in waves,
I am only led to wonder why
It comes and goes in waves
I am only led to wonder why
Why I try
