I've tried but I couldn't find any warning of you dear  
It's hard to make any sense of what I feel here

All I know is that my days go on and on without you  
here  
Without you here  
My days go on and on without you here  
Without you here

I beg your pardon love but you've interrupted me  
And the sad song that's played like a drum inside of  
me

All I know is that my days go on and on without you  
here  
Without you here  
My days go on and on without you here  
Without you here

My  
My  
Wwhat a fool am I for allowing this to be  
But this fool cannot ignore the light when he sees you

And my days go on and on without you here  
Without you here  
My days go on and on without you here  
Without you here

(My days go on)  
And my days go on and on without you here  
(My days go on)  
Without you here  
(My days go on)  
My days go on and on without you here  
(My days go on)  
Without you here
