Oh

Lady don't you worry

I'm just in a flurry now

But the wind is picking up now and the new
newspaper's all over town

And I say what's on my mind from here on out

And I am fine

Okay

Yeah

Sure Jim is a friend of mine but he is running out of
time

I'll do what I can for you here

I'll do what I can for you here

Dad

Whatever you have

I'm sure it's living in me

'Cause I'm convinced that all of this has been the best
for me

And I say what's on my mind most of the time

And I am fine

Okay

Yeah

I could barely walk a mile but I am running now
Running now

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can

I know you've thought about everything you could have
done

I know your home is on fire with the things you've done
wrong

'Cause I live there too

Yeah

I live there too

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can for you here

I'll do what I can
