My love I cannot stay
My love I am running late
My love all
Has not been a waste
In a life that you have
Brought upon me

So farewell
Love this is goodbye
Let's not take our time
So farewell
Love this isn't getting
Any easier
And you let go to
What the end will show
Ba ba da ba da da da

My love I cannot stay
My love all
Has not been a waste
My love I am running late
From the life that you have
Brought upon me

So farewell
Love this is goodbye
Let's not take our time
So farewell
Love this
Isn't getting any easier
And you let go
To what the end will show
Ba ba da ba da da da

So farewell
Love this is goodbye
Let's not take our time
So farewell love
This isn't getting
Any easier
And you let go but
To what end will show

Ba ba da ba da da da

I'm gonna sing
This for you
I'm gonna sing
This for you
I'm gonna sing
This for you

So farewell
Love this is goodbye
Let's not take our time
So farewell love this
Isn't getting any easier
And you let go
To what the end will show
Ba ba da ba da da da
