Another hum drum grey day  
I wonder if this rain passed Toledo  
And if so I hope it left a sunny day through your window  
I can't make shape or form of this new emotion

I need a drive up San Francisco Bay  
I'd write this song on the way  
I'm not sure I belong here anyway  
She thinks that I've already gone away  
Gone away

Another hum drum grey day  
Maybe I'll head out for a movie  
The day is always so bright aAfter a matinÃ©e  
Wouldn't you say  
I can't make shape or form of this new emotion

I need a drive up San Francisco Bay  
I'd write this song on the way  
I'm not sure I belong here anyway  
She thinks that I've already gone away  
Gone away

Yeah  
I figure one day soon I'll snap out of this  
Yeah  
One day soon I'll pull my head down out of outer-space

Yeah  
I figure one day I'll snap out of this  
Yeah  
One day soon I'll take that drive out

And I need a drive up San Francisco Bay  
I'd write this song on the way  
I'm not sure I belong here anyway  
She thinks that I've already gone

On a drive up San Francisco Bay  
Where I'd write this song on the way  
And I'm not sure I belong here anyway  
She thinks that I've already gone away
