Jesus you are all the world to me
Without your love I wouldn't want to be
You gave me Your life so I can live
And now my life to You I give
Jesus you are all the world to me

Your goodness is a treasure
I am so unworthy of
And I commit my fragile heart
To the mercy of your love
Your truth and your forgiveness
My soul can not resist
And all I've said and done
Comes down to this

Jesus you are all the world to me
Without your love I wouldn't want to be
You gave me Your life so I can live
And now my life to You I give
Jesus you are all the world to me

Of all in life that matters
And all that I hold close
Just to know you Jesus
Is the thing that matters most
Cause when I did not know you
You made the cross your choice
So with every breath I take
I'll lift my voice

Jesus you are all the world to me
Without your love I wouldn't want to be
You gave me Your life so I can live
And now my life to You I give
Jesus you are all the world to me
