This may be the last of clear blue skies

There may be a storm on the horizon

I can't see it

There may be a hole above my bed

The rain may be fallin' on my head

But I can't feel it

CHORUS:

If there is a shadow

I can't see it

If this is my cup

I'll learn to drink it

If there is a purpose

You'll reveal it

But for today I found my place

In the sufficiency of grace

In the sufficiency of grace

Some people may say I'm in denial

I just let them talk when all the while

I can't hear it

This trouble can seem so limitless

This world may be full of bitterness

But I can't taste it

CHORUS

No need to explain my strange behavior

It's only that I have found a Savior

In my lowest place I found His favor
