Greg Macpherson

My daddy was a bank robber  
Never hurt no body  
He just loved to live that way  
And he love to steal your money

Some is rich  
And some is poor  
And that's the way the world is  
But I don't believe in lying back  
And saying how bad our luck is.

So we came  
To jazz it up  
Never loved a shovel  
Break your back to earn your pay  
And don't forget to grovel.

My daddy was a bank robber  
He never hurt no body  
He just loved to live that way  
And he love to steal your money

The old man spoke up  
In a bar  
And said I've never been in prison  
But a lifetime time on one machine  
Is 10 times worse then prison.

Imagine if all  
The boys in jail  
Could get out now together,  
Whadda think they'd wanna say to us  
While we were being clever

Hey, strike out boys  
To the hills  
I can't find me the hole in the wall  
I know nothing ever will

Some day I'll meet your rocking chair

Cause that's where you spinning  
There no point to want to comb your hair  
When is grey and thinning

So we came to jazz it up  
Never loved a shovel  
Break your back to earn your pay  
And don't forget grovel

Daddy was a bank robber  
He never hurt nobody  
He just loved to live that way  
And he loved to steal your money

Hey run rabbit run  
To the hills  
I can't find me the hole in the wall  
I know nothing ever will
