Im reaching deeper down inside of me  
For answers to questions honesty  
I feel like ive fallen from a state of grace  
I knoe that i cant run from my mistakes

*[chorus]*

Where do you go when you've gone to far  
You open up your arms  
I want to believe that love has the heart to  
Take me home  
Take me back home  
Take me back home  
Take me back home  
Take me back home

Forgiveness a sweet kiss is all i need from you  
So hold me cuz only you can pull me through  
Im fighting.. im crying calling out your name  
I want to live a life that shows a change

*[chorus]*

Where do you go when you've gone to far  
You open up your arms  
I want to believe that love has the heart to  
Take me home  
Take me back home  
Take me back home

Take me back home  
Take me back home

*[chorus]*

Where do you go when you've gone to far  
You open up your arms  
I want to believe that love has the heart to  
Take me home  
Take me back home  
Take me back home  
Take me back home  
Take me back home

(where do you go)

When the lights have consumed you  
So thick you can hardly move through  
(where do you go)  
When you dont recognize your face  
You pray for redemption day

I know that i cant run from my mistakes

*[chorus]*

Where do you go when you've gone to far  
You open up your arms  
I want to believe that love has the heart to  
Take me home  
Take me back home  
Take me back home  
Take me back home  
Take me back home
