Don't ask me where I'm going, I don't know
Which way the wind is blowing, I don't know
We've been over this again and again
Talking 'bout it only drives me insane
Think I'd rather take a walk in the rain

I know I can't keep running
I know you've taken enough
I know I can't keep running
And I know you don't want someone
Running in and out of your life

This ain't no game we're playing, I need time
Listen here to what I'm saying, I need time
Guess I saw it coming right from the start
I can't bring myself to break her heart
When I do it's gonna tear me apart

I know I can't keep running
I know you've taken enough
I know I can't keep running
And I know you don't want someone
Running in and out of your life

Can't escape it
I gotta face it
Don't wanna leave you with your heart on the line
I can't refuse you
Don't wanna lose you
Can't you see that I'm running out of time

I know I can't keep running
I know you've taken enough
I know I can't keep running
And I know you don't want someone
Running in and out of your life

I know I can't keep running
I know you've taken enough
I know I can't keep running
And I know you don't want someone
Running in and out of your life
