People say that you're no good,
But I wouldn't cut you loose, baby, if I could.
I seem to stay down on the ground,
Baby I'm too far gone to turn around.
Oh if only you would make up your mind,
Take me where you go, you're leaving me behind.
Woman you got those come and go blues, yes you do
Lord, you got those come and go blues,
Yes, you do, and oh you got me feelin' like a fool.
Just like a fool

'Round 'n' 'round, 'round we go
Don't ask me why I stay here, I don't know.
Well maybe I'm a fool to care,
Without your sweet love, baby I would be nowhere.
So here I stay, locked in your web,
Till that day I might find someone else.
But I don't know, just when that would be, yeah
But I don't know, I can't say cause I can't see.

Sail on, my darlin', sail on
You just go your way, and I'll go mine
But it seems to me, that I once heard
That everything is finally cured by time
Ya sail on, my darlin', sail on
I'll just wish you good luck
And I'll see you when you come next time.

Lord, you got those come and go blues, yes you do
Woman you got those come and go blues, I swear you
do
And oh you got me feelin' like a fool.
Just like a fool
