You been cheating on me now  
You know I know it's true  
Ain't nobody in the whole wide world  
Gonna love you like I do  
Don't you be no fool, don't you be no fool  
(Don't you be no fool, don't you be no fool)  
Gonna keep on fooling 'round now baby  
Gonna mess up your good thing

Well I might of cheated just a little bit baby  
Nobody knows but you  
When I get my paycheck darling  
Left it all home to you  
Don't be no fool, lord don't you be no fool  
(Don't be no fool, be no fool)  
Gonna keep on jiving round now baby  
Gonna mess up that good thing  
(Gonna mess up that good thing)

Gonna mess up that good thing  
Ya baby  
(Good thing)  
What can I say  
(Good thing)  
Oh darling  
(Good thing)  
Ohhhh

They tell me you got a part-time lover  
Living away cross town  
Won't be more than a little while baby  
You'll be putting me down  
Don't you be no fool, no don't you be no fool  
(Be no fool, be no fool)  
Gonna keep on jiving 'round now, baby  
Gonna mess up that good thing  
(Gonna mess up that good thing)

Now don't you come sneaking across town baby  
You'll sure catch me doing no wrong  
You know I know all our friends know  
We got a thing going

Don't you be no fool, no don't you be no fool  
(Don't you be no fool, be no fool)  
Gonna keep on jiving 'round now baby  
Gonna mess up a good thing  
(Gonna mess up a good thing)  
Oh that's what I say  
(Mess up a good thing)  
Good thing, oh baby  
(Good thing)  
Good thing, what did you say  
(Good thing)  
Ohh darling  
(Good thing)  
No, no, no no, nooo  
Oh fool around  
Mess up the best damn thing you ever gonna have  
yeah
