I believe I'll go back home
I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong

Father, kind and patient
He was kind as he could be
Gave me my fortune
That he had promised me

I believe I'll go back home
I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong

Father told his servants
Bring the fatted calf low
Pass it on to my darling child
That he come back home

I believe I'll go back home
I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong

I'm going back to my father
Fall down on my knees
Gotta to do better than I did
Recognize me if you please

I believe I'll go back home
I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong

My father saw him coming
Met him there and smiled
Gonna bring him home again
This is my darling child

I believe I'll go back home

I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong

My father kind and parient
He was kind as he could be
Gave me my fortune
That he had promised me

I believe I'll go back home
I believe I'll go back home
I believe I'll go back home
Acknowledge that I done wrong
