It ain't no use  
You're gonna leave me  
Darlin' I know  
Oh, yes, I know

I want to die  
No but I  
Must let you go  
Got to let you go

If I knew how  
To make you care  
Then heart and soul  
I try I swear

Oh, but I can see, yeah  
Lil' girl you don't love me  
It ain't no use  
No use

It ain't no sense  
Beggin' you to stay  
No, it ain't no way  
No way

It's just no good  
You hurt me so bad  
Each and everyday  
Everyday

Baby, my love  
Ain't what you need  
Oh, no I'd beg  
And cry and plead

But you can't be true  
No honey not you  
So, it ain't no use  
Loving you
