I don't even know your name  
But I love you just the same  
Darling let me hold your hand  
Till I make you understand

If you only, only knew  
Just how much I love you  
Loving you the way I do  
You'd take tonight to love me too

I'm like the picture on the wall  
Please don't let me fall  
It's my heart I'm thoning of  
So won't you please, please accept my love

If you let me be your slave  
Your love I'll cherish to my grave  
And if you die before I do  
I'll end my life to be with you

I'm like the picture on the wall  
Please don't let me fall  
It's my heart I'm thoning of  
So won't you please, please, please accept my love

If you let me be your slave  
Your love I'll cherish to my grave  
And if you die before I do  
I'll end my life to be with you.
