Aww you pick me up, when nobody else would
You did things for me, that nobody else could
You opened up your heart, but I would not be true
But I still got that old time feeling for you
Sweet baby, lord sweet baby

Aww we had a love, yes we did, beyond compare
When I needed you, oh lord, you was always, always
there
Now I had my chance, but I could not be true
But I still got that old time feeling for you
Sweet baby, oh sweet baby, ohhh

But I still got that old time feeling for you
Sweet baby, aww sweet baby

Someday baby when all your hurt is gone
Maybe you forgive me, oh lord
For doing you so low down dirty wrong
I'm so sorry for all the pain I put you through
But I still got that old time feeling for you
Sweet baby, lord sweet baby, awww
Got that old time feeling, yeah yeah, yeah yeah
Old, old time feeling baby, oh
I got that sweet sweet feeling
Aww baby
