Lights go out and I can't be saved
Tides that I tried to swim against
You've put me down upon my knees
Oh I beg, I beggen please
Come out of things unsaid
Shoot, an apple off my head
And the trouble that can't be named
The tiger's waiting to be tamed singin'
You are
You are
Confusion never stops
Closing walls and ticking clocks
Gonna come back and take you home
I could not stop but you now know, singin'
Come out upon my seas,
Curse missed opportunities
Am I a part of the cure
Or am I part of the disease, singin'
You are, you are
You are, you are
Nothing else compares
Oh, nothing else compares
Oh, nothing else compares
You are, you are
You are, you are
Home, home where I wanted to go
Home, home where I wanted to go
Home, home where I wanted to go
Home, home where I wanted to go
