I have climbed highest mountain
I have run through the fields
Only to be with you
Only to be with you

I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing fingertips
It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the kingdom come
When all the colors bleed into one
Bleed into one
And yes I'm still running

You broke the bonds and you
Loosened the chains
Carried the cross
Of all my shame
All my shame
You know I believe it

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

But I still haven't found what I'm looking for...
