If I had another chance tonight
I'd try to tell you that the things we had were right
Time can erase the love we shared
But it gives me time to realize just how much you cared
Now you're gone, I'm really not the same, I guess I held
myself to blame
Time can erase the things we said
But it gives me time to realize that you're the one who's
sad
You know I won't hold you back now, the love we had
just can't be found
You know I can't hold you back now
Now that I'm alone it gives me time to think about the
years that you were mine
Time can erase the love we shared
But it gives me time to realize just how much you cared
You know I won't hold you back now, the love we had
just can't be found
You know I can't hold you back now, the love we had
just can't be found
