"Lady In Red"

I've never seen you looking so lovely
as you did tonight

I've never seen you shine so bright
I've never seen so many men ask you
if you wanted to dance

They're looking for a little romance,
given half a chance

I have never seen that dress you're wearing
Or the highlights in your head
That catch your eyes
I have been blind

The lady in red is dancing with me cheek to cheek
There's nobody here, it's just you and me,
It's where I wanna be
But I hardly know this beauty by my side
I'll never forget,
the way you look tonight

I've never seen you looking so gorgeous
as you did tonight
I've never seen you shine so bright
you were amazing
I've never seen so many people
Want to be there by your side
And when you turned to me and smiled,
It took my breath away
I have never had such a feeling
Such a feeling of complete and utter love,
As I do tonight

The way you look tonight
I never will forget, the way you look tonight
The lady in red
The lady in red

The lady in red
My lady in red (I love you.)
