Looking from a window above, it is like a story of love
Can you hear me?
Came back only yesterday, I'm moving farther away
Want you near me
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
Sometimes when I think of her name when it's only a
game
And I need you
Listen to the words that you say it's getting harder to
stay
When I see you
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
This is going to take a long time and I wonder what's
mine
Can't take no more
Wonder if you'll understand it's just the touch of your
hand
Behind a closed door
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
