Original theme & lyrics: Steve Harley

Originally performed by: Steve Harley

Verse one:

Radiate simply, the candle is burning

So low for me

Generate me limply, can't seem to place

Your name, cheri.

To rearrange all these thoughts

In a moment is suicide

Come to a strange place, we'll talk over

Old times we never spied.

Chorus:

Somebody called me Sebastian

Somebody called me Sebastian

Work out a rhyme, toss me the time, lay me,

You're mine

And we all know, oh yeah!

Verse two:

You're not gonna run, babe,

We only just begun, babe, to compromise

Slagged in a Bowery saloon,

Love's a story we'll serialise.

Pale angel face; green eye-shadow,

The glitter is out of sight

No courtesan could begin to decipher

Your beam of light.

Chorus:

Somebody called me Sebastian

Somebody called me Sebastian

Dance on my heart, laugh, swoop and dart,

La-di-di-da, oh yeah
