Intro:

Still I'm sad...

Verse one:

See the stars come joining down from the skies,  
Gently passing they kiss your tears when you cry.  
See the wind of summer blow your hair upon your  
head,

See the rain, the falling rain, it's rain.

Still I'm sad...

Still I'm sad...

Verse two:

Oh my flowers, my tears just falling two days,  
We are driving the night to find they are lost.  
Flower, flower the wind is blowing,  
Time into my heart.

When the wind blows hard, we are apart.

Still I'm sad,

Still I'm sad...

Still I'm sad...

Outro:

Oh, oh, oh, oh,

Still I'm sad.

Oh, oh, oh, oh,

Still I'm sad
