Hold up

Hold on

Don't be scared

You'll never change what's been and gone

May your smile (may your smile)

Shine on (shine on)

Don't be scared (don't be scared)

Your destiny may keep you warm

Cos all of the stars

Are fading away

Just try not to worry

You'll see them some day

Take what you need

And be on your way

And stop crying your heart out

Get up (get up)

Come on (come on)

Why're you scared? (I'm not scared)

You'll never change

What's been and gone

Cos all of the stars

Are fading away
Just try not to worry
You'll see them some day
Take what you need
And be on your way
And stop crying your heart out
Cos all of the stars
Are fading away
Just try not to worry
You'll see them some day
Take what you need
And be on your way
And stop crying your heart out
We're all of us stars
We're fading away
Just try not to worry
You'll see us some day
Just take what you need
And be on your way
And stop crying your heart out
Stop crying your heart out
Stop crying your heart out
