Original theme & lyrics: Midge Ure, Warren Cann, Billy Currie, Christopher Allen

Originally performed by: Ultravox

Verse one:

We walked in the cold air.

Freezing breath on a window pane,

Lying and waiting.

The man in the dark in a picture frame,

So mystic and soulful.

A voice reaching out in a piercing cry,

It stays with you until.

Chorus:

The feeling has gone only you and I.

It means nothing to me,

This means nothing to me,

Oh, Vienna...

Verse three:

The music is weaving

Haunting notes, pizzicato strings,

The rhythm is calling.

Alone in the night as the daylight brings,

A cold, empty silence.

The warmth of your hand and a cold grey sky,

It fades to the distance.

Chorus:

The image has gone only you and I.

It means nothing to me,

This means nothing to me,

Oh, Vienna...

Bridge:

Oh, Vienna...

Oh, Vienna...

Chorus:

This means nothing to me,

This means nothing to me,

Oh, Vienna
