The world was on fire no-one could save me but you  
Strange what desire will make foolish people do  
I never dreamed that I'd meet somebody like you  
I never dreamed that I'd lose somebody like you  
No, I don't wanna fall in love (This world is only gonna  
break your heart)  
No, I don't wanna fall in love (This world is only gonna  
break your heart)  
With you  
With you  
(This world is only gonna break your heart)  
What a wicked game to play to make me feel this way  
What a wicked thing to do to let me dream of you  
What a wicked thing to say you never felt this way  
What a wicked thing to do to make me dream of you  
And I wanna fall in love (This world is only gonna break  
your heart)  
No, I wanna fall in love (This world is only gonna break  
your heart)  
With you  
The world was on fire no-one could save me but you  
Strange what desire will make foolish people do  
I never dreamed that I'd love somebody like you  
I never dreamed that I'd lose somebody like you  
No, I don't wanna fall in love (This world is only gonna  
break your heart)  
No, I don't wanna fall in love (This world is only gonna  
break your heart)  
With you  
(this world is only gonna break your heart)  
With you  
(This world is only gonna break your heart)  
No, I  
(This world is only gonna break your heart)  
(This world is only gonna break your heart)
