Oh! yeah...

Girl I've been watching you
from so far across the floor now baby
that's nothing new
I've watched you
so many times before now baby
I see that look in your eyes
and what it's telling me
and you know oh girl that I'm not shy
I'm glad you picked up
all my telepathy now baby

you read my mind you know
girl I wanna shake you down well, well
I can give you all the loving you need
I'm gonna love you
come on let me take you down oh! oh!
we'll go all the way to heaven

Oh! I've been missing you
and the way you make me feel inside
what can I do
I can tell you've got your pride now baby
come to me - well well
let me ease your mind oh baby
I've got the remedy yes I do
now give me just a little time

you read my mind
girl I wanna shake you down
I can give you all the loving you need
I'm gonna love you
come on let me take you down well well
we'll go all the way to heaven

girl I've been missing you
and you know it's funny
everytime I get to feel in this way
I wish I had you near me
I wanna reach out and touch you

I can't stop thinking of the things you do

the way you call me baby
when I'm holding you
I shake and I shiver when I hold you near
then you whisper in my ears oh baby well well

you read my mind
girl I wanna shake you down
I can give you all the loving you need
I'm gonna love you
come on let me take you down well well
we'll go all the way to heaven
