Kill the turkey, shoot him down,
Pluck his feathers, Make him growl,
Make burgers, kill the cow,
Slit his throat, let him bleed,
Make steaks, make burgers,
Good to eat,

Kill the beast, took our daughter,
I'll break off,
But if you want it bad enough,
Oh if you want it bad enough,

Keep your eyes on the prize,
Keep your eyes on the prize,
Keep your eyes on the prize,
Keep your eyes on the prize,

Kiss the clever, one who said,
You made your bed,
now lie in it, Die in it,
Kiss the shit, that hit the fence,
When you went and killed,
Another man,

But if you want it bad enough,
If you want it bad enough,

Keep your eyes on the prize,
Keep your eyes on the prize
Keep your eyes on the prize
Keep your eyes on the prize
