Too young to be
Super legend
And no one knows that years ago
You'd sing yourself to bed
I'm a better, better friend

To win your love
It's all I'm not
Two tiers above
The best I've got

All I see in you is new, smooth
And I, I get lost
In the rottenness of it all
Come on I'm a crutch in a pinch
And you're too much
Get a hold of yourself get over yourself
Man

To win your love
It's all I'm not
Two tiers above
The best I've got
The best I've got
