Noisy in my head
Voice rings like a bell
And try as I might I cannot forget
And try as I might I cannot love you less.

Say how long you'll stay
Wrapped up in the hour
Marking off the days

Maybe we both knew it at the time
Maybe we both knew it at the time.

And I don't know about you,
But for me it's about the passing of measures
But for me its about all of life's little pleasures.
And I feel you're taking away the most you can from a
lazy day

Maybe we both, maybe we both, maybe we both knew it
at the time
Maybe we both knew it at the time
Maybe we both knew it at the time
Maybe we both knew it at the time
