i have a vatican all of my own
iâ€™m ruler of one, iâ€™m ruler of one
and i am forever condemned to its throne
iâ€™m nobodies son, iâ€™m nobodies son

life is a fable iâ€™ve never believed in
iâ€™ve buried it all, iâ€™ve buried it all
well iâ€™ve never had anything worth believing in
iâ€™m king of the brawl, iâ€™m king of the brawl

hand me the day of the battler
throw me the iron gloves
write me the rest of my life

with the stars up above

youâ€™re not in peril of passing in my mind
youâ€™ve nothing to show, youâ€™ve nothing to show
and since i am fully and rightfully justified
iâ€™ll grant you to know, iâ€™ll grant you to know

heed this heavy load
iâ€™ve been here before, iâ€™ve been here before
and i think iâ€™m finally ready to go
iâ€™ll go it alone, iâ€™ll go it alone
