I Wonder (Teeter)
by Gregory Douglass

wonder if iâ've found you darling,
wonder if itâ's over,
wonder if youâ're what iâ'm longing for,

wonder why youâ're so like i am,
wonder how we got here,
wonder if weâ'll make it through tomorrow,

wonder if itâ's falling stars?
and if itâ's falling stars,
i wonder if weâ're gaining?
but if the raining starts,

i wonâ't give up, iâ've given all iâ've got.

iâ'd give my life to love someone like you,
i canâ't go on â'till the wildest of my dreams comes
true,
and if thereâ's a god thatâ's watching every move,
how could he let me down?
how could he let me drown?

wonder if this child descending
may be an illusion
wonder if youâ'll take me high enough
