mmm, oh yeah....

Some of the men will buy you diamonds and pearls  
And those are the things that mean a lot to some girls  
But all I have is love, darling, all I have is love

Now they will take you places that you wanna go  
And show you things that you've never seen before  
But all I have is love, darling, all I have is love

Oh yeah, na na na na....

Maybe I'm poor, but it's you I really adore  
If you can't accept it then you can walk straight out the  
door  
'Cause all I have is love, darling, all I have is love

(rep. v. 1)
