A go go go  
Let them know

It's another the boom-shot  
Coming from my music box  
Another new rock  
Come on, brothers, face the facts

Yes, I want the world to know  
Hold to your partner and don't let go  
Ho! you gotta do it do it slow  
And to the drum'n'bass you go go go

It's another the boom-shot  
Coming from my music box, lord  
Another new rock  
Come on, brother, let's attack

Listen to the riddim, yeah  
Of the ghetto men  
Rock around, my brethren, yeah  
And I know you will understand

It's another the boom-shot  
Coming from my music box  
Another re-rock  
Come on, let's draw (?) the facts

Do the skank and do it slow  
Let yourself a go go go  
Hold your partner, and squeeze him tight  
'Cause dis ya schok attack we are doin' it tonight

Come on and do the boom-shot  
Come on, brother, let's attack  
It's a new rock  
Got to face the fact

Music is the master of life  
Without music, like a trip without the knife (?)  
Let me on , on and on

Do it slow and let yourself a go go go

It's another the boom-shot  
Coming from my music box, yeah  
Another new rock  
Come on, brothers, face the fact

Oy, listen to the drum'n'bass, yeah  
and hold your space, oy  
'ca the riddim true livin, (?)  
straight from my music box, Lord

It's another the boom-shot, yeah  
From my music box, yeah  
A new rock, Lord  
Got to got to got to face the facts  
Ev'ryone attack

Keep on skanking, oy  
Ol' top rankin'  
Straight from my music box  
My collection.....
